### FIRE ON SALEM AVENUE.

**Narrow Escape of Mrs. Buddington from Suffocation Saturday Morning.**

About 2 o'clock yesterday morning Peter Storch, a conductor on the Delaware and Hudson road, on his way to work saw volumes of smoke coming from the Drake building, occupied by Mrs. Buddington as a millinery store. An alarm was quickly given by Officer Huddy, who called out the Mitchell hose company and the Columbus. The door was broken in and the fire discovered in the rear part of the store. The family were asleep up stairs and were aroused with difficulty. It was considered most fortunate that they were not suffocated by the dense smoke. Mrs. Buddington escaped a severe shock from the excitement. She had been an invalid and was greatly prostrated.

The family of A. Wolf were fortunate also in that the fire had burned through the floor into W. B. Stansbury's harness store, but the damage is small. It is not known how the fire originated. A laborer in the cellar on Saturday may have dropped a match or a spark have fallen from his pipe.

**Stabbing Affray.**

A stabbing affray occurred at Edgewater where Simpson & Watkins operate their mines on Sunday night. As a result, Michael Yurick, an Hungarian, is now at the hospital in a dangerous condition. His assailant was Tony Uracon, an Italian. It is said that he made an unprovoked attack upon the Hungarian at a ball held at Slires's saloon near the gravity track, he began and slashed his neck intending to cut his throat. By a mere chance Uracon escaped instant death. He fell to the floor and his assailant escaped. The knife penetrated through the neck and cut a deep mark in the doorpost. Dr. M. J. Shields was quickly summoned by telephone, who came and sewed up the wound. The man had a very narrow escape from death.

**Memorial Service.**

A service was held in the Presbyterian Sunday school on Sunday afternoon in memory of the late superintendent, Solomon Bolton, S. S. Jones spoke of him as a teacher and of his faith and good works. Rev. Charles Lee also spoke of one whom all esteemed as a faithful servant of God. W. F. Price, assistant superintendent, showed the special fitness of Mr. Bolton as a Sunday school superintendent. A quartette composed of Messrs. Ackerman, Yarrington, Crane and Shepherd, sang a selection, "Remember Me." The exercises were most appropriate and interesting.

**Fatal Accident at No. 1 Mine.**

A fatal accident at No. 1 mine yesterday morning resulted in the death of Michael Murphy, a tracklayer, employed at No. 1 tunnel. He was sitting by

the track waiting for some cars on which to load some wooden rails. One of the rails on the pile projected a little upon the track so that the car coming by pushed it against the unfortunate young man striking him upon the head and forcing him against the pillar. The cars were stopped at once, but his skull was crushed so that he lived only twenty minutes. He was 21 years old, born in Carbondale where he has resided with his parents, Mr. and Mrs. Patrick Murphy. He was an esteemed member of Division No. 11, Ancient Order Hibernians of America.

**Arrested for Robbery.**

Constantine Healey has a warrant for a young man named John Duffy, who committed the robbery at Joseph Wilce's house last Friday. A number of houses in the vicinity of upper Belmont street have been robbed and there is reason to believe that Duffy, who came a few months ago from Summerville, Md., is the burglar. He acknowledged the robbery of Mr. Wilce's house, but has managed to get away since his confession.

### HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

### WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy cures the back, kidney, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and sending pain in passing it, or had effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention the Scranton Tribune and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
